## BUDGET TRANSMITTAL LETTER

Honorable Mayor and Council  
Powder Springs, GA

Dear Mayor Thurman and City Council:

I am pleased to present the FY20 draft annual operating and capital budget. It is balanced without reductions to current services and maintains the current millage rate of 9.5 that was approved with the FY19 budget.

### Background

This past year has presented various opportunities that have allowed consideration of alternate, effective methods to operate in a long-term sustainable fashion. One opportunity was the sale of the water and sewer system. Responsible and efficient management and operation of the system and investment infrastructure required technical and financial resources beyond the City's capacity. Selling will reduce both operating costs that we could not sustain as well as the usage rates for customers.

Another opportunity that allows alternate operational methods is the change in staffing. Personnel shifts have permitted careful and innovative thought about reorganization and alignment of skills that best serve the public in the long term. Additionally, revenues from the FY19 millage rate and additions to the City's tax base allow us to expand and train our workforce and improve efficiencies with technology. Also, workforce shortages, multiple generations in the workforce, a stable economy, and employment opportunities are all catalysts to rethinking operations – thinking outside the norm to develop solutions that best meet the needs of and provide quality services to our citizens while minimizing their financial burden and sustaining our future.

One way to think outside the norm is to provide needed services from retired and experienced contracted professionals. Or engage an experienced professional who is not willing to work full time but can perform that one specialized task the City needs. Another is to align staff skills with required services – after all, why hire an attorney when a paralegal can perform the job? Conversely, don't place a paralegal in a position that only an attorney can perform, and consider having junior attorneys in the gap when it is inefficient to pay a senior but ineffective to rely on the paralegal. Clearly, it is important that those providing services to the public are trained on the best practices of providing those services and that policies and procedures exist to enable continuation of services when a vacancy occurs. The Mayor and Council has identified personnel as a

priority for FY20, and I am pleased to present a draft proposed budget that is intended to capture this and the other priorities that have been established.

This draft has been developed based upon information received from the public at Town Hall or other public meetings, our annual planning retreat, collaboration with City departments and outside professionals with expertise in budgeting, and our approved planning documents. The priorities established during this budget development process are reflected in the draft budget. Those priorities include personnel increases and alignment, public safety, business development, annexation, and managing the tax base.

### Key Points in the FY20 Budget

Using these priorities, a draft budget was prepared to support citywide initiatives, departmental activities and department operations that help achieve the City's core strategies of promoting a safe city, attract and retain business, creating destinations and creating an atmosphere of community.

- This budget includes a total of 87 authorized positions (includes the elected body), which is a decrease of 1.5 full time authorized positions compared to the current level. If you exclude water and sewer operations, the proposed level authorizes increases as follows:
  - 2 in public safety
  - 2 in finance
  - 2 in community and economic development
  - 1 in parks
  - 1 in administration (HR/City Clerk/City Manager)

These staffing recommendations address the priorities related to personnel, public safety, business development and annexation

- The budget includes funding in support of the core strategy to attract and retain businesses and the priority of managing the tax base. Working with the Development Authorities and Powder Springs Business Group, the City will implement business retention plans and annexation goals and actively support business development. Part of this is met with professional contracted services of \$35,000.
- The budget provides an increase of \$50,000 for public facility repairs and an allocation of \$15,000 plus overtime to sponsor the July 4 celebration;
- The budget addresses the personnel priority with a cost of living adjustment of \$92,495 and training of \$56,000.
- The budget also addresses business development and personnel priorities with intentional marketing, increased social media, public information, information technology, and audit and budget activities by experienced contract professionals in the Administration, City Clerk, and Finance Departments of \$184,600.

- The budget addresses business development and personnel priorities with upgrades in technology and development tracking software of \$35,000.

With the sale of the water and sewer system scheduled to close before the end of the fiscal year, the proposed Operating Budget includes more than \$11.5 million of investment in City services and infrastructure, including \$9 million for General Fund day-to-day operations. Additional funds are included for several capital projects prioritized by Mayor and Council at retreat.

The budget will maintain our financial reserves at a healthy level to respond to an unplanned event. The City of Powder Springs' operating reserves are maintained to cover six months of operations, and once the fund balance has been stabilized at six months, ten percent of funds are assigned each to resurfacing and emergency preparedness projects. A portion of remaining unassigned fund balance in the General Fund will be assigned to begin building a long-term capital budget.

Revenues are trending in a favorable position and are estimated in a careful and intentional manner. Savings that the City has accrued is attributed to larger revenue receipts than budgeted, incomplete or postponed projects, staffing shortages from prior budget cuts and downsizing, and managed spending. This balanced budget helps achieve City goals, fund capital needs and demonstrates careful and intentional strategic growth. This approach will allow the City to improve its levels of service, fund future obligations and capital needs and maintain healthy reserve levels.

Existing long-term debt is small for our operations and will be satisfied in 2031. The sale of the water and sewer system will result in an annual payment of \$550,000 for ten years, ending in July 2029. Monies in the water and sewer fund will be placed in a special capital reserve fund requiring council approval prior to use. This will be established following the closing, and conclusion of all transfer steps is expected by the end of the 1<sup>st</sup> quarter of FY20.

I would like to thank the Mayor and Council for their thoroughness and contributions during the development of the budget. In addition, I want to thank each department head for their dedication and effort in preparing their departmental requests and collaborating as a team in recommending solutions and options in meeting the priorities established by the elected officials and the public as recommended in our many planning documents. Thanks also to my sounding board committee who provided thoughtful feedback. Finally, many thanks to our finance and budget officers, Kelly Axt and John Culpepper, for their long hours, technical and financial skills and keen insight in assisting in the preparation of this proposed budget.

Sincerely,

Pam Conner  
City Manager

# Priorities for FY20

## *Personnel Alignment*

- Reorganization
- Use of Professional Contracted Services
- Staffing
- Training & Incentive

## *Managing Tax Base*

- Business Ambassadors
- Strategic Land Acquisition

## *Business Development*

- Staffing
- Authority Board Funding
- Marketing & Social Media

## *Annexation*

- Use of Professional Contracted Service with assistance by DAPS and staff

## *Public Safety*

- Staffing
- Vehicles

# CITY ORGANIZATION

The **City of Powder Springs**, chartered in **1839**, operates under a ***Mayor-Council form of government***. The Mayor and all five Council members are elected by the people to four-year terms. The governing body appoints a City Manager to oversee the day-to-day operations of the City.

## FY20 Budget Calendar

December 2018	City Manager Finalizes the Budget Calendar and meets with Department Directors to discuss the process for the upcoming Operating and Capital Budgets
January 2019	Mayor and Council review the City's Strategic Plan Update and State of the City Town Hall
March 6-8, 2019	Mayor and Council and Department Directors Annual Retreat
April 18, 2019	City Manager Proposed Budget presented to Mayor and Council
April 24, 2019	Town Hall Meeting-Budget Presentation
May 2 & 9, 2019	Budget Open House
May 20, 2019	Mayor and Council-First Reading and Public Hearing of Budget Ordinance required by State Law
June 3, 2019	Mayor and Council-Second Reading and Public Hearing of Budget Ordinance
June 17, 2019	Mayor and Council-3rd Hearing & Budget Adoption
July 1, 2019	Budget Implementation

## **OPERATING BUDGET FOR FY20**

# Careful and Intentional Budget Focus

---

- FY20 Budget is **developed** with a focus on the maintenance of the City's strong financial condition to include six month of reserves per the adopted policy.
- FY20 Budget is **focused** to provide resources to achieve the identified priorities of the Mayor and Council for the upcoming fiscal year.
- FY20 Budget is **streamlined** to return to line item management from program based budgeting to increase accountability.

# Major Funds Budget Summary

FUND	PROJECTED REVENUE	PROJECTED EXPENDITURE
GENERAL FUND	\$9,078,210	\$9,078,210
SANITATION	\$1,357,500	\$1,357,500
STORM WATER	\$469,000	\$469,000
FINES & FORFEITURES	\$608,000	\$608,000
TOTAL	\$11,512,710	\$11,512,710

## MAJOR CHANGES TO OPERATING BUDGETS

- Incorporates the roll-up of financial software expenditures to return to line item budget from program based budgeting
- Maintains employee Health Care Costs of approximately \$550K per year through plan year with Kaiser. Increases will be capped at 8% at renewal in April 2020
- Unifies Public Works in the General Fund to combine departmental budgets for Streets, Building Maintenance and Fleet Maintenance
- Unifies the Community Development departmental budget to include Building Permits
- Combines General Fund Expenses not tied to a specific department into a "General Expenses Department"
- Establishes a proposed 2.8% COLA in January 2020 for all staff excluding City Manager with a retention pay out in July for all staff (\$95K) - Does Not Include a pay adjustment for elected officials
- Emphasizes training in all funds which increases departmental expenditures.
- Incorporates Personal Realignment & Professional Services
  - Additional staffing resources of seven FTE's across Public Safety, Community Development, Economic Development, Parks and Rec, Finance and Administration.
  - Retains professional services to utilize experts to best address delivery of City services.
- Implements Community Development Software to streamline Planning
- Includes expenses from Water and Sewer operations for Public Works in General Fund. Water and Sewer expenditures are not budgeted in any fund source
- Increases Facilities Improvement Budget by \$50K
- Increases Parks and Rec expenditures to focus on maintenance activities
- Incorporates annual percentage increases for maintenance, software and vendor provided services/agreements and utilities
- Funds General Election Expense for November 2019

# Employees and Benefits- All Funds

---

- The FY20 Budget includes FTE's of 87
- The FY20 Budget as drafted includes \$5.1 million for Pay, Healthcare Benefits and Retirement Contributions for all employees – 45% of all Major Fund Budgets
- The FY20 Budget as drafted includes an incentive structure for employees. The incentive will add approximately \$92,000 to the annual budgets. Elected Officials do not have a budgeted increase as proposed.
- The cost of all employee benefits for FY20 is estimated to be \$900,000. Retirement Contributions are \$252,000 for all funds.

## Revenue Estimates for FY20 Budget

### General Fund:

#### Property Taxes

Based on the last four years, the net Maintenance and Operating (M&O) Digest for Powder Springs has increased annually from 5.8% to 7.5%. The estimates for the FY2020 Budget are based on a net digest increase of 5.5% provided by the Cobb County Board of Tax Assessors on March 28th. This Budget is based on the current tax rate of 9.5 mills. Collections of property taxes are based on a 95% rate consistent with previous years. Based on the estimates, the annual billed property tax revenue is estimated to be \$4,000,000 in FY2020.

The Motor Vehicle Title Ad Valorem Tax (TAVT) is paid to the County Tax Commissioner when a vehicle is purchased or when an out-of-state vehicle is registered by a resident of the County. The TAVT is estimated to raise approximately \$500,000 based 2018-2019 collections. The Intangibles Tax (Registration and Recording) is a tax levied by the Clerk of Courts on mortgages and other real estate securities recorded in the County. The tax is based on \$1.50 per each \$500 of the face value of the note recorded. The proceeds are distributed with the County and Cobb cities based on the proportion of the relative millage rates levied. The City is estimated to receive \$80,000 from the Intangibles Tax in FY2020.

Total Property Tax revenue is projected to be \$4,750,000 in FY20.

#### Other Taxes

The estimates for Other Taxes are based on recent trends, annual averages, and current collections.

Each October, the City receives annual allocation of the Insurance Premiums Tax from the Georgia Insurance Commissioner. The Insurance Premiums Tax is a 1% tax on life, accident, and sickness premiums and a 2.5% tax on all other types of insurance. The tax is levied and collected by the State Insurance Commissioner and allocated to Cities and Counties in Georgia on a per capita basis. Based on previous year's collections, an estimate of \$1,060,800 is included in the General Fund for FY2020.

Excise taxes on Beer, Wine, and Liquor sold in the City will raise about \$248,000 in FY2020. The tax rate for beer is 5 cents per 12 ounces and 22 cents per liter on wine and liquor. The sale of alcohol in Powder Springs was approved in 2000. The excise taxes are collected by the wholesalers and remitted to the City each month.

Based on collections and trends over the last four years, franchise taxes will raise about \$730,000 in FY20. The franchise tax is a fixed percent of the gross revenue collected by utility firms that provide electricity, natural gas, telephone, and cable services within the city limits. The utility firms in turn are allowed to use the City's rights of way to provide services to their customers.

In total, the City's Other Taxes will raise approximately \$2,100,000 in FY2020.

#### Licenses and Permits

Based on recent revenues, \$50,000 will be received from the businesses that purchase licenses for the sale of alcoholic beverages. Building permits will generate about \$150,000 in FY2020. The Occupation Tax, also known as the "business license", will raise about \$332,000 in the upcoming year. Currently, there are about 650 businesses registered to do business in the City.

#### Intergovernmental Revenue

The annual services agreement with Cobb County under HB 489 will provide revenue of \$250,000 in FY2020.

#### Charges for Services

Revenues for Charges for Services will be approximately \$1,254,000 next year. Revenues from Street Lights billed \$5.00 monthly will raise about \$375,000. The Municipal Court and Sanitation Funds will contribute \$50,000 and \$275,000 respectively for their share of the City's administrative cost. These "indirect cost" amounts are the same level as FY2019. The FY20 Budget includes the first annual payment of \$550,000 based on the Water and Sewer System transfer agreement with Cobb County implemented in 2019.

#### Total General Fund Revenues

Based the estimates included in this budget, total General Fund revenues will be approximately \$9,078,210 in FY20.

#### Sanitation Enterprise Fund

The Sanitation Enterprise Fund is projected to raise revenue of \$1,357,500 in FY20. This estimate is based on the current fees and charges. The average residential customer will pay \$20 per month in FY20.

#### Storm Water Enterprise Fund

Revenue from storm water fees and detention fund charges are projected to raise about \$469,000 in FY20. This budget includes a \$12 annual increase in the storm water fee consistent with the City's long range plan. Based on the recommended increase for FY20, the average residential customer will pay \$42 per year with their property taxes.

#### Municipal Court Special Revenue Fund

The operations of the City's Municipal Court are accounted in a special revenue fund. Total revenues for fines and forfeitures (net of court fees) are estimated to be \$593,000 in FY20.

#### DDA (Downtown Development Authority) Debt Service Fund

Each year, the General Fund and the Capital Projects Fund contribute funds to pay the annual debt service for DDA bonds issued in through the DDA in 2005, 2006(refunded in 2014), and 2018. The General Fund portion comes from the Operating Budget and Capital Projects Fund portion is funded with Impact Fees-Public Safety. The amount provided by Impact Fees-Public Safety is based on the cost of the Police Department Building project that was financed by the 2006 Bonds. For FY20, a total of \$949,094 will be transferred to the DDA Debt Service Fund for the annual debt service payments.

#### Police Seizure Special Revenue Fund

Collections from funds seized under Federal/State programs and the Marietta/Cobb/Smyrna Narcotics Unit are recorded in the Police Seizure Fund. Federal and State laws and regulations require that these funds be used solely for public safety operating and capital expenditures. For FY20, revenues from these sources will be used by Public Safety via Budget Amendment.

# General Fund Revenue History

# REVENUE SOURCES - GENERAL FUND

# Revenue - Property Taxes

- The FY 20 budget as drafted is based on the current millage rate of 9.5 mills.
- The projected Property Tax Digest for 2019 is \$445 million based on initial estimate provided by Cobb County Board of Tax Assessors on March 28, 2019. This estimate anticipates an increase of 5.5%.
- The collection rate is estimated to be 95%, slightly lower than collection rates over the last four years.

## ***Administration - City Manager***

**Departmental Mission Statement** - To partner with the Mayor and Council in achieving the goals and objectives set forth in the City's strategic plan and in support of its vision to be inspired by the past, invigorated by the present and innovative about the future in providing the best possible selection of services to citizens, businesses and employees using available resources of time, personal effort and finances.

**Description and Overview of the Department** - The administrative services department under management of the city manager is responsible for carrying out all policies, codes, projects and programs established by the governing body with professional courtesy and dedication, overseeing the city's daily operations, hiring and supervising the city's department heads and administrative staff, developing a proposed budget, administering city contracts, serving as advisor to the Mayor and Council, and serving as elected officials' liaison to the city's department heads.

### **Functional Areas:**

1. Legislative – assist in preparing ordinances and resolutions to implement city policies
2. Planning – research and provide information and alternatives for consideration by elected officials for major projects, appropriate land uses, capital financing, strategic planning and community/comprehensive planning, sound budgeting for service delivery.
3. Personnel – hire and supervise department heads, act on personnel matters, recommend personnel policy updates, direct and supervise administration of departments and help improve knowledge and skills of employees.
4. Communication – regularly engage in dialogue with employees, elected officials, citizens and businesses and provide end of year reports or such other reports concerning operations of city departments as may be requested.

### **FY20 Goals and Objectives:**

1. Begin development of succession planning for all departments
2. Begin development of 3-year capital budget.
3. Reframe the City's strategy on business and community relations.
4. Strengthen the City's image

### **FY 20 Key Performance Measures:**

1. Existence of standard operating procedures in each department about key functions.
2. Frequency and type of staff training events.
3. Frequency of litter pick up, mowing, similar maintenance
4. Number of business visits and community outreach events.
5. Increased social media presence.
6. Acquisition and demolition of flood prone properties.
7. Maintenance of fund balance equal to 180 days of annual operating costs.

# City Clerk Budget Summary

## RESOURCE ALLOCATION

GENERAL FUND	FY 20
PERSONNEL EXPENSE	\$ 136,554
OPERATING EXPENSES	\$ 102,920
TOTAL BUDGET	\$ 239,474
STAFFING LEVEL (FTE'S)	2

## ***Office of the City Clerk***

**Mission Statement** - The Office of the City Clerk is committed to providing support to the Mayor and City Council, staff, and the citizens of the City of Powder Springs by accurately recording and maintaining the proceedings of the Council through exceptional customer service and the use of information technologies. The Office of the City Clerk seeks to deliver timely and accessible service in response to all inquiries and requests for public information and records and to provide professional management of City records, striving for excellence in dissemination of information, preservation of records, and upholding integrity and transparency.

**Description and Overview of the Department** - The Office of the City Clerk facilitates city council meetings, prepares and distributes agendas, takes minutes, and publicizes all information which is required to be publicized by the law. The Office of the City Clerk helps ensure that the process of creating an ordinance or resolution follows any legal procedures and processes. They help create the documents, distribute them for amendments and revisions, and publish them for the public to see when such documents are subject to public inspection, public release, and open records laws. To ensure transparency, the Office of the City Clerk is tasked with properly maintaining public records and handling any open records requests. The Office of the City Clerk organizes, maintains, archives, and deletes records according to Georgia law and the City's records retention schedule. The Office of the City Clerk handles the collection and management of documents related to ethics filings for political candidates including campaign contributions and financial disclosure. The Office of the City Clerk provides City Hall reception coverage through one FTE, meeting planning, elected officials travel coordination, and special projects. The Office of the City Clerk provides management of contracted I/T services, city's phone systems and oversight for implementation of new technologies.

### **Functional Areas:**

1. Legislative
2. Administrative and Technology
3. Communication
4. Governance

### **FY20 Goals and Objectives:**

1. Implement an electronic backup of all permanent record City Council minutes.
2. Perform a technology audit to include hard and soft resources.
3. Implement Streaming of Public Meetings.
4. Update the City's website to include a new homepage, streamline the user experience and enhance social media interfaces.
5. Create a comprehensive master calendar of all mandated compliance/reporting required of the City.
6. Implement Open Records Software and on-line tool.

## ***Public Safety***

**Mission Statement** - The Powder Springs Police Department exists to enhance the quality of life for the citizens of Powder Springs by implementing integrity based, progressive policing.

**Description and Overview of the Department** - The department is primarily responsible for protecting and safeguarding the lives and property of Powder Springs residents through enforcement of criminal laws and safety education. Core functions are carried out through six operational programs: Administration, Operations, Support Services, Community Outreach, Employee Enrichment, and Quality of Life. In addition, the department works collaboratively with City, County and State departments, area public safety agencies and community organizations to maximize resources and security and to heighten citizen engagement in safety and crime-related issues.

### **Functional areas:**

1. **Administration** – Fiscal Services, Planning, Special Projects, Inventory Control, Emergency Information Services, Records Management, and Personnel Services.
2. **Operations** – Traditional patrol; Canine; Specialized Enforcement & Education Division (SPEED).
3. **Support Services** – This program consists of the Criminal Investigations Unit (CIU), the Internal Affairs Unit, the Office of Professional Standards, the Accreditation Unit, and the Property/Evidence Control Unit.
4. **Employee Enrichment** – This program includes the Training Unit. That provides in-service and recruit training.
5. **Community Outreach** – Maintain professional, working partnerships between law enforcement and citizens. This program includes the Pastor, Parks and Police, Citizens Police Academy (CPA), Citizens and Police (CAP), Community Emergency Response Team (CERT), Police Explorers Post.
6. **Quality of Life** – This program was previously known as Code Enforcement. The unit is charged with maintenance and enforcement

of all city codes and ordinances. Additionally, the unit enforces all state and federal laws.

**FY20 Goals and Objectives:**

1. Patrol to limit opportunity for a crime to occur, and through education of citizens that reduces the likelihood of them becoming victims.
2. Maintain peace and public order; assist during times of natural or technological occurrences or disasters.
3. Apply effective measures against organized crime and related activities.
4. Provide for the safe and effective flow of both vehicular and pedestrian traffic and the investigation of traffic related accidents.
5. Secure and maintain an inventory of all property, evidence, lost and recovered/stolen property being held by the law enforcement agency.
6. Design and implement a training program to fill the training needs.
7. Provide sufficient incentives to maintain operations at 100% of allotted, certified personnel and reduce employee injuries.
8. Staff and coordinate resources and outreach in support of community oriented policing.
9. Enforcing and maintaining compliance with all city codes and ordinances.

## **FY20 CAPITAL SUMMARY**

### **GENERAL GOVERNMENT BUILDINGS & GROUNDS:**

The funds dedicated to this project are for land acquisition and site improvements. These funds are to be used for property acquisition as it relates to prioritized properties for the purpose of implementing the LCI plan. These funds are currently held for the City's Downtown Development Authority and are reimbursed based on an Intergovernmental Agreement (IGA), between the DDA and the City, for the purpose of acquiring and rehabilitating properties in the City's DDA service area. The FY20 capital budget will include funding for the mandated update to the City's Stormwater Management Plan, replacements and upgrades to the sound system at the Patricia C. Vaughn Cultural Arts theater, facilities and infrastructure repairs to the community development building and the stormwater system, development of a cyber security test plan, partial funding for a replacement sanitation truck and an amount for any local match required for grants that may be awarded.

### **LOCAL MAINTENANCE IMPROVEMENT GRANT PROGRAM:**

The funds dedicated to this project are the State's grant funds and City matching funds to be used for the purposes in the annual Local Maintenance Improvement Grant program application.

### **CITYWIDE WAYFINDING SIGN PROGRAM:**

This project was originally funded for \$40,000 to be used for architectural and designing of new trail signage to be used along the City's trail way system to advise residents and visitors as to the City's full trail system as well as wayfinding and directional signage to the downtown. The City deferred this project until additional funding was available, which was allocated from unassigned fund balance in FY19.

#### EMERGENCY PREPAREDNESS PROGRAM:

The Emergency preparedness program was adopted with the 2016 Budget and was approved to be funded by the amount of 10% of the balance of any unrestricted reserve amounts in excess of 6 months of current year operations. The funds will be used for ongoing Continuity of Operations Planning (COOP) updates and training and Community Emergency Response Team (CERT) training. Additionally, FY20 funds will be used for acquisition and demolition of two repetitive loss properties and mitigation measures identified through a joint City-County-Corps mitigation plan prepared for the Sweetwater watershed.

#### RESURFACING PROGRAM:

The resurfacing program was adopted with the 2016 Budget and was approved to be funded by the amount of 10% of the balance of any unrestricted reserve amounts in excess of 6 months of current year operations. It supplements both the LMIG program and the Special Purpose Local Option Sales Tax program.

#### DOWNTOWN PARK PROJECT:

The funds dedicated to this project are the City's 2018 Series Bond Funds, Water and Sewer Funds, remaining funds from the DDA's IGA, as well as Impact Fees. Park construction began April 2019 and is expected to be completed in February 2020. The current project includes ancillary park features such as site furnishings.

#### LINEAR PARK PROJECT:

The funds dedicated to this project are the City's portion of 2015 – 2018 CDBG program funds as well as Impact Fees. The current project underway includes the installation of shade structures to the currently uncovered playground equipment. The City will continue to pursue additional sources of funding in order to complete all phases of the Linear Park.

#### OTHER FINANCING USES:

Funds received from the City's Impact Fee Program for Public Safety purposes are allocated to a transfer out category to be used as a source of repayment for the outstanding 2005 & 2014 Series Bonds. The City also receives and allocates a portion of the Impact Fees collected for Administrative purposes.

**APPENDICES**

**BUDGET FOR FY20**

## **THREE YEAR HISTORY**

### **REVENUES**

**FY17 – FY20 (Proposed)**
