STANDBY STORMWATER SYSTEM REPAIRS
UNIT PRICE CONTRACT**

ADDENDUM #1

A. Changes to the Proposal Submittal Due Date

The proposal submittal due date is extended for two additional weeks, until **12:00 noon EST on Friday, May 3, 2024**.

B. Changes to Unit Price Schedule

Based on questions received from potential proposers, the Unit Price Schedule has been revised. **Use the Revised Unit Price Schedule attached below**; do not submit pricing on the Unit Price Schedule included in the original Request for Proposals.

C. Submitted Questions (responses in red)

- 1) Is this the full contract that is on bid direct? Is there any other paperwork that needs to be filled out?

The terms, conditions, and specifications set forth in the Request for Proposals will form the basis of the contract to be awarded. Attached is a standard contract form we will use. For those who desire it, the City's stormwater assessment geo-database is also available by request to Tina Garver at tgarver@cityofpowdersprings.org.

- 2) We don't see any line items for landscaping including grass, mulch, and irrigation repair. How are we to price this?

We have added line items for landscaping and erosion control to the Revised Unit Price Schedule.

3) Are there any ADA ramps included in the concrete work and if so, how are we to price this? There are no line items for ADA ramps.

We have added line items for concrete work, including ADA ramps, to the Revised Unit Price Schedule.

Note to prospective vendors:

We are grateful for the thoughtful questions that will help improve this procurement, although we were unable to respond to questions received after the deadline. Our goal is to build a partnership with competent vendors to complete needed work on the city's infrastructure, and we look forward to your responses to the RFP.
