

RFQ Bid #24-012

Scope of Work: Concrete, Curb Ramps, and ADA Parking Lot Striping

ADDENDUM # 1

The following addendum amends or modifies the solicitation terms, conditions, and/or specifications as originally issued. Listed below are answers to questions submitted regarding the Concrete, Curb Ramps, and ADA Parking Lot Striping.

This Addendum is issued to modify or interpret the bidding documents. Bidders are hereby instructed that the terms and specifications for the above referenced project are modified, corrected, or/and supplemented as hereinafter described. The scope of work will also cover additional ADA corrections at various locations throughout the City of Powder Springs. This work will include, but is not limited to:

Scope of Work Additions:

3899 Brownsville Road, Powder Springs Park Building 100 - Construct ADA-Compliant Restroom

Reconfigure the restroom to meet ADA standards, including but not limited to:

- Installation of ADA-compliant sinks.
- Replacement of toilets with ADA-compliant models.
- Installation of grab bars to ensure adequate spacing is achieved.
- Adjustment of clearances to meet accessibility requirements.

3006 Spring Industrial Drive, Public Works Facility - Accessible Parking Compliance

New parking striping to meet ADA compliance standards.

- Include a layout for accessible parking spaces, van-accessible spaces, and appropriate access aisles.
- Ensure compliance with surface slope, signage, and striping standards.

4181 Atlanta Street [Building 3], Senior Center - Handrail Correction

Modify or replace the existing handrail on the interior ramp (window side of ramp) to meet ADA standards.

- Ensure proper height, grip size, and continuity.
- Verify compliance with all ADA handrail specifications, including extensions at the top and bottom of the ramp.
