

RFQ Bid #24-012

Scope of Work: Concrete, Curb Ramps, and ADA Parking Lot Striping

ADDENDUM # 2

Concrete, Curb Ramps, and ADA Parking Lot Striping

The City of Powder Springs hereby issues this **Addendum 2** to clarify the scope of work and update project requirements. Contractors are instructed to include these changes in their bid submissions.

Scope Clarifications

1. Location: 4181 Atlanta Road

- **Restriping Scope of Work:**

The restriping scope of work focuses only on **Sections A, B, C, D, E, and F** as identified in the original solicitation. The entire parking lot is not included in the scope.

- **Handrail Modification:**

This item is now removed from the scope of work.

2. Location: 3899 Brownsville Road

- **Restroom Modification:**

The restroom modification scope of work has been removed.

- **New Scope of Work:**

- Install an **ADA van parking spot** on the side of the building.
- Construct a new wheelchair ramp with three landings, connecting to the preexisting ramp at the building.
- Remove an existing walkway and replace it with permanent vegetation.

3. Location: 3006 Spring Industrial Drive

- **Updated Scope of Work:**

- Replace the walkway adjacent to the vehicle entrance gate.
- Pour a new **ADA van parking spot** and a level walkway/wheelchair ramp.
- Install bollard posts for pedestrian protection along the edge of the parking lot/sidewalk.

Locaton	Criteria	Unit	Quantity	Price
3899 Brownsville Road	P.S. Park Building 100			
	Accessible Parking Design	Total Cost		
	Construction of New ADA Van Parking Space	Each
